

**Anno scolastico:**

2021-2022

The **193** Member countries of the **United Nations** speak with **ONE** voice. They want the 17 Sustainable Development Goals of the Agenda 2030 to become a reality. **Let's Join In!**

**Our VISION:** human beings living peacefully and prosperously together respecting the Earth, our common home. What a dream!

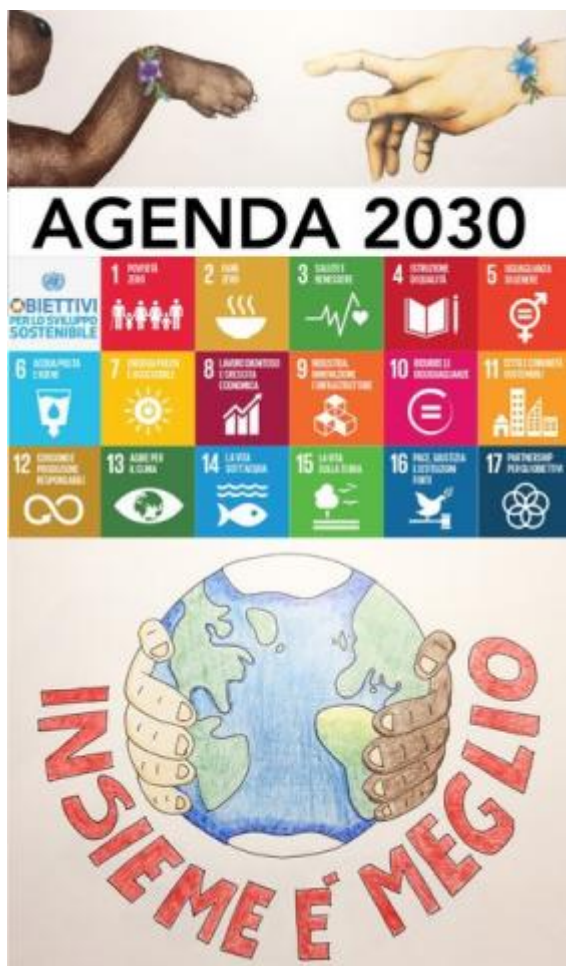

**Our MISSION:** to reach the 17 SDGs of the **Agenda 2030** in the next decade. A greener **biosphere** (goals 6,13,14,15), a healthier **society** (goals 1,2,3,4,5,7,11,16), a more sustainable **economy** (goals 8,9,10,12): all actions interconnected (goal 17) in a **circular life**. Let's get inspired by the **European motto: ACT, reACT, impACT!**

Together we shall propose concrete **ACTIONS** to make these **IDEAS-IDEALS** become **REAL** for the **well-being** of the peoples, the nations, the planet Earth. Agenda 2030 is the **FRAMEWORK** of **SENSE** for our **future communities**. Do you agree?

All the worthy school initiatives of **CITIZENSHIP (Educazione Civica)** seem fragmented, but if we, teachers and students, look at them as **part of the whole Agenda 2030** we shall discover a strong **UNITARY PERSPECTIVE**.

In conclusion, the power of being **ONE** with **ONE Vision** and **ONE Mission** will certainly produce **Change**. Let's start now. Let's spread the news. Let's work together. **The future is ours!**
